

Wayne Action Group for Economic Solvency, Inc. (WAGES) Head Start/Early Head Start is seeking applicants for the position of Education Coordinator. The ideal candidate will possess a minimum of a Bachelor's Degree in Early Childhood Education; however, an advanced degree in Early Childhood Education is preferred. He or she will have at least 5 years of experience in teaching in the early education field, preferably in the Head Start setting and have demonstrated knowledge of best practice, developmentally appropriate practices and child development. The right person for this position will be committed to the provision of exceptional customer service and be able to work with diverse populations. In addition, he/she should possess the ability to input, understand and analyze child outcomes and assessment data and the ability to support, coach and mentor a highly talented and diverse group of educators. For additional inquiries regarding this position, please contact Pamela Ruffin, WAGES Human Resources Specialist at 919-734-1178, ext. 282.
